

FIRE SAFETY: DO'S & DON'TS

Critical actions to remember — ACT FAST. THINK SAFE.

DO's — ACT FAST & SMART

- Stay calm and alert
- Leave immediately when the alarm sounds
- Use the nearest / designated safe exit - Don't think twice
- Go directly to the assembly point at the front of the building

DON'Ts — AVOID DEADLY MISTAKES

Don't run, push or panic

Don't stop for personal items

Don't assume it's a false alarm

REMEMBER THIS

- 1 — In a fire, Seconds matter
- 2 — **STAY** calm
- 3 — **MOVE** fast
- 4 — **FOLLOW** instructions
- 5 — **YOUR** actions save lives

If you haven't already — locate the nearest exits, review the evacuation map on the office walls, and note the assembly point before leaving today. For further details and training materials, visit **Intrinna Intranet**.
